# NEBUCHADNEZZAR'S DREAM:

**Dan. 2:31-32: "You, O king, were watching; and behold, a great image!" - "This image's head was of fine gold, its chest and arms of silver, its belly and thighs of bronze, its legs of iron, its feet partly of iron and partly of clay."**

**VS. 34-36: "You watched while a stone was cut out without hands, which struck the image on its feet... and broke them in pieces. Then the iron, the clay, the bronze, the silver, and the gold were crushed... the wind carried them away... And the stone that struck the image became a great mountain and filled the whole earth." - "This is the dream. Now we will tell the interpretation."**

# **“THY KINGDOM COME”:**

Dan. 2:44: **“in the days of these **KINGS** (the Ten Toes of Verse 42), the **God of heaven will set up a kingdom which shall never be destroyed... it shall break in pieces and consume all these kingdoms, and... stand forever.**”**

VS. 45: **“Inasmuch as you saw that the stone was cut out of the mountain without hands, and that it broke in pieces the iron, the bronze, the clay, the silver, and the gold—the great God has made known to the king what will come to pass after this.”**

# “THY KINGDOM COME”:

“The stone cut without hands shatters a confederation of kings, represented by the feet of the image, and then God’s Kingdom will dominate the earth. Since Roman history provides no fulfillment of this federation of [ten] kings... this prophecy must still be in the future. This [passage] describes a single, decisive event... [and] Since the Church or the Gospel have not—in a single decisive event—shattered the reign of human kingdoms, this event is still in the future. The stone cut without hands is Jesus, not the Church. Therefore, the final superpower of the world is thought to be a revival of the Roman Empire, a continuation of [the legs of iron]. This will be the final world empire that the returning Jesus will conquer.”

# AN EXTENSION of the ROMAN EMPIRE?

**ROMAN EMPIRE 1356 BC**

**MODERN EUROPEAN UNION**

**“Vladimir Putin may have created a new superpower, and it’s not Russia. Since Putin invaded Ukraine, the European Union has changed. A recent New York Times opinion piece suggests the invasion has both united and militarized the EU. The EU governs more than 445 million people. That’s more than the United States. The EU’s gross domestic product exceeds \$15 trillion, putting it 2nd in the world after the U.S. (\$20 trillion). If the EU continues to assert itself on the world stage, it could [soon] wield superpower influence. The European Union could revive the complex, decentralized power of the Roman Empire.”**

## DANIEL CHAPTER 7:

*"40 years later, Daniel has a vision describing the same succession of empires. Daniel saw it from God's perspective, while Nebuchadnezzar saw it from man's perspective. Nebuchadnezzar saw these empires as an impressive image; Daniel sees them as fierce beasts."*

VS. 6: **“there was another [beast], like a leopard...”**

## DANIEL CHAPTER 7:

**Dan. 7:7: "After this I saw in the night visions, and behold, a fourth beast, dreadful and terrible, exceedingly strong. It had huge iron teeth; it was devouring, breaking in pieces, and trampling the residue with its feet. It was different from all the beasts that were before it, and it had ten horns."**

# DANIEL CHAPTERS 2 & 7:

Daniel 2: **"a stone [that] was cut out without hands, which struck the image on its feet..."** – **"the God of heaven will set up a kingdom which shall never be destroyed... it shall break in pieces and consume all these kingdoms, and... stand forever."**

Daniel 7: **"these beasts... had their dominion taken away... And behold, One like the Son of Man, coming with the clouds of heaven..."** – **"To Him was given dominion and glory and a kingdom, that all peoples, nations, and languages should serve Him. His dominion is an everlasting dominion, which shall not pass away, and His kingdom [is] the one which shall not be destroyed."**
